RE: Re: Cash deposit instructions for TRBs from the PRC for Shanghai General Bearing Co., Ltd. (A-570-601)

1. The antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the People's Republic of China (PRC) was revoked with respect to subject merchandise produced and exported by Shanghai General Bearing Co., Ltd. (SGBC/SKF), effective 2/11/1997 (see 62 FR 6189; see also message number 7087112, dated 03/28/1997). However, on 07/13/2016, Commerce published in the Federal Register (81 FR 45282) the preliminary results of changed circumstances review and intent to reinstate SGBC/SKF in the antidumping duty order on TRBs from the PRC (see message number 6200301, dated 07/18/2016). On 01/17/2017, Commerce completed its review and published in the Federal Register (82 FR 4853) the final results of changed circumstances review and reinstatement of SGBC/SKF in the antidumping duty order. Commerce has determined that SGBC/SKF has resumed selling TRBs at less than normal value contrary to the conditions placed on SGBC/SKF's original revocation.

2. As a result of Commerce's review, SGBC/SKF (A-570-601-042) is reinstated in the antidumping duty order on TRBs from the PRC. Accordingly, CBP shall continue to suspend liquidation of shipments of TRBs from the PRC exporter/producer combination identified below and entered, or withdrawn from warehouse, for consumption on or after 7/13/2016. Effective 01/17/2017 (the date of publication of the final results of changed circumstances review), CBP shall require a cash deposit equal to the margin shown below:

Exporter: Shanghai General Bearing Co., Ltd.

Producer: Shanghai General Bearing Co., Ltd.

Case number: A-570-601-042

Cash deposit rate: 5.82%

3. If any entries of this merchandise are exported by a firm other than the exporter/producer combination listed above, then the following instructions apply:

A. If the PRC or non-PRC exporter of the subject merchandise has its own rate, use the

applicable exporter's rate for determining the cash deposit rate.

B. For all exporters of subject merchandise which have not been assigned to a separate rate, the cash deposit rate will be the PRC-wide rate of 92.84 percent.

C. For all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter.

4. These cash deposit requirements shall remain in effect until further notice. Do not liquidate any entries of merchandise included in this changed circumstances review until assessment instructions are issued.

If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, at (202) 482-0984.
